

LAPOA Volunteers

We are grateful to those of you have volunteered to help our community become better. Each of you will add value to the Lake Arrowhead experience. If you are reading this and haven't yet volunteered we encourage you to do so. Please contact the Board Liaison responsible for your area of interest. Have another area we should consider? Let Johnny DeLoach know of your interest.

A focus group consists of people which are subordinate to the LAPOA Board who are asked to give their perceptions, opinions, beliefs and attitudes towards a targeted service, concept, or idea. They investigate the *why* and *how* of decision making, not just *what*, *where*, *when*. Questions and ideas are explored in an interactive group setting where participants are encouraged to interact as a team.
